The Telephone Books Are Here!

Hamilton County Telephone Co-op

You should have received your Co-op telephone directory by mail. The new books resemble an older style telephone. We wanted to reflect on the telephone side of our business, since this is our telephone directory. The book is compiled the same as the last couple of years with all the white page listings being in one section. All listings are still in alphabetical order. For a numerical reference of just our Co-op members and customers, refer to the back of the White Page Listings section.

If you would like to advertise in the yellow pages next year, please let us know. Our telephone books are still highly requested in our area.

Labor Day Facts:

Labor Day, is a legal holiday celebrated on the first Monday in September in the United States, Puerto Rico, the Canal Zone, and the Virgin Islands.

For most people, Labor Day means two things: a day off and a chance to say good-bye to the summer. But why is it called Labor Day? Labor Day is a day set aside to pay tribute to working men and women. It has been celebrated as a national holiday in the United States and Canada since 1894.

The first Labor Day holiday was celebrated on Tuesday, September 5, 1882, in New York City, in accordance with the plans of the Central Labor Union.
